ATTORNEY GENERAL OF TEXAS

September 30, 2016

Mr. Stephen D. Gates  
First Assistant City Attorney  
City of Midland  
P.O. Box 1152  
Midland, Texas 79702-1152

OR2016-22106

Dear Mr. Gates:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 634417 (Midland ID# 20517).

The City of Midland (the "city") received a request for information pertaining to a specified incident. The city states it released most of the requested information. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code.<sup>1</sup> We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. Section 552.101 encompasses information made confidential by statute, such as section 773.091 of the Health and Safety Code, which provides, in part:

(b) Records of the identity, evaluation, or treatment of a patient by emergency medical services personnel or by a physician providing medical supervision that are created by the emergency medical services personnel or physician or maintained by an emergency medical services provider are confidential and privileged and may not be disclosed except as provided by this chapter.

---

<sup>1</sup>Although you do not explicitly raise section 552.101 of the Government Code, we understand you to raise this exception based on the substance of your argument.

...

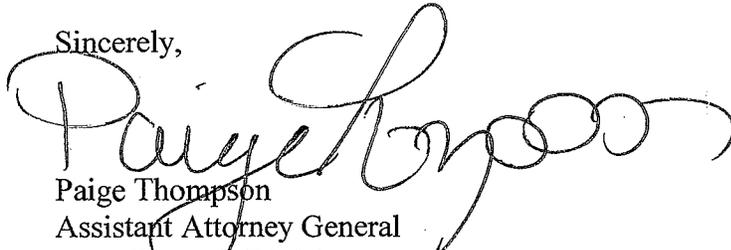

(g) The privilege of confidentiality under this section does not extend to information regarding the presence, nature of injury or illness, age, sex, occupation, and city of residence of a patient who is receiving emergency medical services.

Health & Safety Code § 773.091(b), (g). The submitted information contains records made and maintained by emergency medical services personnel. Upon review, we find section 773.091 is applicable to the submitted information. Thus, with the exception of the information subject to section 773.091(g), which is not confidential, the city must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 773.091(b) of the Health and Safety Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.
