Ms. Lizbeth Islas Plaster
City Attorney
City of Lewisville
P.O. Box 299002
Lewisville, Texas 75029-9002

OR2016-22281

Dear Ms. Plaster:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 629061.

The City of Lewisville (the "city") received a request for information pertaining to a specified incident. You state you have released some information. You claim the submitted information is excepted from disclosure under section 552.1085 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes city police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661(a) provides the following:

A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and

(3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not give the requisite information under section 1701.661(a). As the requestor did not properly request the submitted body worn camera recordings pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by Subsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.1085 of the Government Code provides, in pertinent part, the following:

(c) A sensitive crime scene image in the custody of a governmental body is confidential and excepted from the requirements of Section 552.021 and a governmental body may not permit a person to view or copy the image except as provided by this section. This section applies to any sensitive crime scene image regardless of the date that the image was taken or recorded.

(d) Notwithstanding Subsection (c) and subject to Subsection (e), the following persons may view or copy information that constitutes a sensitive crime scene image from a governmental body:

(1) the deceased person’s next of kin[.]

Gov’t Code § 552.1085(c), (d)(1). For purposes of section 552.1085, “sensitive crime scene image” means “a photograph or video recording taken at a crime scene, contained in or part of a closed criminal case, that depicts a deceased person in a state of dismemberment, decapitation, or similar mutilation or that depicts the deceased person’s genitalia.” *See id.* § 552.1085(a)(6). Upon review, we find none of the submitted information consists of sensitive crime scene images for the purposes of section 552.1085. Accordingly, the city may not withhold any of the information at issue under section 552.1085(c) of the Government Code.

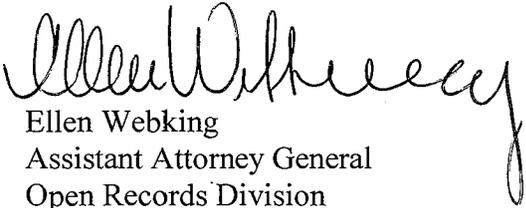

In summary, as the requestor did not properly request the submitted body worn camera recordings pursuant to chapter 1701, our ruling does not reach this information and it need not be released. The city must release the remaining information.

¹As we can make this determination, we need not address your argument against disclosure of this information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
