Ms. Sarah Parker
Associate General Counsel
Texas Department of Transportation
125 East 11th Street
Austin, Texas 78701-2483

OR2016-22334

Dear Ms. Parker:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 629114.

The Texas Department of Transportation (the "department") received a request for specified change orders and change order requests from the Salado 1B Project. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

The submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

...

(3) information in an account, voucher, or contract relating to the receipt or expenditure of public or other funds by a governmental body[.]

Gov't Code § 552.022(a)(3). The submitted information consists of information in an account, contract, or voucher relating to the receipt or expenditure of funds by the department that is subject to section 552.022(a)(3). This information must be released unless it is made confidential under the Act or other law. *See id.* You seek to withhold the information under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the department may not withhold the submitted information under section 552.103 of the Government Code. As you raise no further exceptions to disclosure, the department must release the submitted information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
