Dear Ms. Wood:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 629774 (File No. 160).

The Plano Independent School District (the "district"), which you represent, received a request for the letters sent to third parties in connection with a specified previous request for information submitted by the requestor. You claim the submitted information is excepted from disclosure under sections 552.101 and 552.117 of the Government Code. We have considered the exceptions you claim and reviewed the submitted representative sample of information.<sup>1</sup>

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information protected by other statutes, such as section 21.355 of the Education Code. Section 21.355(a) provides that "[a] document evaluating the performance of a teacher or administrator is confidential." Educ. Code § 21.355(a). This office has interpreted section 21.355 to apply to any document that

<sup>1</sup>We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

evaluates, as that term is commonly understood, the performance of a teacher or an administrator. *See* Open Records Decision No. 643 (1996). We have determined that for purposes of section 21.355, “teacher” means a person who is required to and does in fact hold a teaching certificate under subchapter B of chapter 21 of the Education Code or a school district teaching permit under section 21.055 and who is engaged in the process of teaching, as that term is commonly defined, at the time of the evaluation. *See id.* at 4. The Third Court of Appeals has concluded a written reprimand constitutes an evaluation for purposes of section 21.355. because “it reflects the principal’s judgment regarding a teacher’s] actions, gives corrective direction, and provides for further review.” *See North East Indep. Sch. Dist. v. Abbott*, 212 S.W.3d 364 (Tex. App.—Austin 2006, no pet.).

You contend the responsive information evaluates the performance of certified teachers. However, upon review, we find none of the responsive information constitutes an evaluation of a teacher for the purposes of section 21.355. Accordingly, the district may not withhold the responsive information under section 552.101 of the Government Code in conjunction with section 21.355 of the Education Code.

Section 552.117(a)(1) of the Government Code excepts from disclosure the home address and telephone number, emergency contact information, social security number, and family member information of a current or former employee or official of a governmental body who requests this information be kept confidential under section 552.024 of the Government Code, except as provided by section 552.024(a-1). *See* Gov’t Code §§ 552.117(a)(1), .024(a-1). Section 552.024(a-1) of the Government Code provides, “A school district may not require an employee or former employee of the district to choose whether to allow public access to the employee’s or former employee’s social security number.” *Id.* § 552.024(a-1). Thus, the district may only withhold under section 552.117 the home address and telephone number, emergency contact information, and family member information of a current or former employee or official of the district who requests this information be kept confidential under section 552.024. Whether a particular item of information is protected by section 552.117(a)(1) must be determined at the time of the governmental body’s receipt of the request for the information. *See* Open Records Decision No. 530 at 5 (1989). Thus, information may be withheld under section 552.117(a)(1) only on behalf of a current or former employee or official who made a request for confidentiality under section 552.024 prior to the date of the governmental body’s receipt of the request for the information. Information may not be withheld under section 552.117(a)(1) on behalf of a current or former employee or official who did not timely request under section 552.024 the information be kept confidential. Therefore, to the extent the employees at issue timely requested confidentiality under section 552.024 of the Government Code, the district must withhold the information we have marked under section 552.117(a)(1) of the Government Code. Conversely, to the extent the employees at issue did not timely request confidentiality under section 552.024, the district may not withhold the information we have marked under section 552.117(a)(1). The district must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
