ATTORNEY GENERAL OF TEXAS

Ms. Dawn Roberts
Assistant City Attorney
Arlington Police Department
P.O. Box 1065
Arlington, Texas 76004-1065

OR2016-23042

Dear Ms. Roberts:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 630197 (PD Ref. No. 28519).

The Arlington Police Department (the "department") received a request for run sheets showing traffic stops cleared by specified disposition codes during a specified time. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.108(a)(1) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if . . . release of the information would interfere with the detection, investigation, or prosecution of crime[.]" Gov't Code § 552.108(a)(1). A governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). The department states the submitted information relates to a pending criminal investigation. Based on this representation and our review, we find release of the information would interfere with the detection, investigation,

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

or prosecution of crime. See *Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, section 552.108(a)(1) of the Government Code is applicable to the information at issue.

We note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov't Code § 552.108(c). Section 552.108(c) refers to the basic front-page information held to be public in *Houston Chronicle* and includes a detailed description of the offense. See *Houston Chronicle*, 531 S.W.2d at 186-88; Open Records Decision No. 127 at 3-4 (1976) (summarizing types of information deemed public by *Houston Chronicle*). We note, in Open Records Decision No. 649 (1996), this office concluded information contained in a computer-assisted-dispatch (“CAD”) report is substantially the same as basic information. See ORD 649 at 3; see also Open Records Decision No. 394 at 3 (1983) (there is no qualitative difference between information contained in radio cards or radio logs and front-page offense report information expressly held to be public in *Houston Chronicle*; thus, such information is generally public). However, we further note basic information does not include motor vehicle record information encompassed by section 552.130 of the Government Code or dates of birth. See ORD 127. Thus, with the exception of basic information, which must be released, the department may withhold the submitted information under section 552.108(a)(1) of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
