ATTORNEY GENERAL OF TEXAS

October 19, 2016

Ms. Shea Smith
Assistant City Attorney
City of Sugar Land
2700 Town Center Blvd North
Sugar Land, Texas 77479

OR2016-23545

Dear Ms. Smith:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631156.

The City of Sugar Land (the "city") received a request for twenty-eight categories of information regarding a specified intersection. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information that is made confidential by other statutes. You raise section 552.101 in conjunction with section 418.181 of the Government Code. Sections 418.176 through 418.182 were added to chapter 418 of the Government Code as part of the Texas Homeland Security Act (the "HSA"). Section 418.181 provides:

Those documents or portions of documents in the possession of a governmental entity are confidential if they identify the technical details of particular vulnerabilities of critical infrastructure to an act of terrorism.

Id. § 418.181. The fact that information may relate to a governmental body's security concerns does not make the information *per se* confidential under the HSA. *See* Open Records Decision No. 649 at 3 (1996) (language of confidentiality provision controls scope of its protection). Furthermore, the mere recitation of a statute's key terms is not sufficient to demonstrate the applicability of the claimed provision. As with any

exception to disclosure, a claim under section 418.181 must be accompanied by an adequate explanation of how the responsive records fall within the scope of the claimed provision. *See* Gov't Code § 552.301(e)(1)(A) (governmental body must explain how claimed exception to disclosure applies).

You explain the submitted information consists of technical drawings of portions of the city's traffic signal system. You assert, and we agree, the city's traffic signal system is critical infrastructure. *See id.* § 421.001(2) (defining "critical infrastructure" to include "all public or private assets, systems, and functions vital to the security, governance, public health and safety, economy, or morale of the state or the nation"). You explain the release of the submitted information "could provide a potential terrorist with technical details that would provide sufficient information to interrupt or damage the [c]ity's traffic signal system." Further, you state "this information could enable a terrorist to render the CCTV cameras at this intersection inoperable, making the [c]ity blind to activity in that area and preventing video evidence from being gathered should a terrorist attack occur in the vicinity." Based on your representations and our review of the information at issue, we find that you have demonstrated the applicability of section 418.181 to the information we marked. Thus, the city must withhold the information we marked under section 552.101 of the Government Code on the basis of section 418.181 of the Government Code. However, we find you have failed to demonstrate the applicability of section 418.181 to the remaining information. Therefore, the city may not withhold the remaining information under section 552.101 of the Government Code on that basis. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839. Sincerely,

Katelyn Blackburn-Rader
