Re: Request for information regarding an incident involving on; including the dashboard camera videos; recorded audio/transcripts/call notes of any recorded 911 phone calls; any notes from law enforcement; and any and all other items relevant to this accident

Dear Ms. Lentz:

The Office of the Attorney General has received your request for a ruling and assigned your request ID# 638347.

After reviewing your arguments and the submitted information, we have determined your request does not present a novel or complex issue. Thus, we are addressing your claims in a memorandum opinion. You claim the video recording must be withheld from the requestor in its entirety pursuant to section 552.130 of the Government Code because you lack the technological capability to redact the motor vehicle record information not pertaining to the requestor from the recording. Thus, we agree you must withhold the video recording in accordance with section 552.130 of the Government Code.

For more information on the cited exception, please refer to the open government information on our website at <https://www.texasattorneygeneral.gov/og/memorulings>. You may also contact our Open Government Hotline at 1-877-OPENTEX.
