Dear Ms. Doshier:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 631789 (File Ref. No. 78379).

The City of Highland Village (the "city"), which you represent, received a request for information pertaining to a specified event involving the requestor. You claim some of the submitted information is excepted from disclosure under sections 552.101 and 552.108 of the Government Code. We have considered the exceptions you claim and reviewed the submitted information.

Initially, you state and we agree the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

(1) the date and approximate time of the recording;

- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released.¹ However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Next, we note in Open Records Letter No. 2016-21546 (2016) we issued a previous determination authorizing the city to withhold the dates of birth of public citizens under section 552.101 of the Government Code in conjunction with common-law privacy without the necessity of requesting an attorney general decision with regard to the applicability of this exception. *See* Gov’t Code § 552.301(a); Open Records Decision No. 673 at 7-8 (2001) (delineating elements of second type of previous determination under Gov’t Code § 552.301(a)). Thus, pursuant to Open Records Letter No. 2016-21546, the city must withhold the dates of birth you marked under section 552.101 of the Government Code in conjunction with common-law privacy.

In summary, as the requestor did not properly request the body worn camera recordings at issue pursuant to chapter 1701 of the Occupations Code, our ruling does not reach this information and the city need not release the submitted body worn camera recordings at issue in response to this request for information. Pursuant to Open Records Letter No. 2016-21546, the city must withhold the dates of birth you marked under section 552.101 of the Government Code in conjunction with common-law privacy. The city must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
