

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

October 27, 2016

Ms. Susan DeMeo
Legal Assistant
City of Georgetown
P.O. Box 409
Georgetown, Texas 78627-0409

OR2016-24002

Dear Ms. DeMeo:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 638535 (Req. No. G002921-092216).

The City of Georgetown (the "city") received a request for information related to a specified accident. You state you have released some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.130 of the Government Code.¹ We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information includes police officers' body worn camera recordings. Body worn cameras are subject to chapter 1701 of the Occupations Code. Chapter 1701 provides the procedures a requestor must follow when seeking a body worn camera recording. Section 1701.661 provides, in relevant part, the following:

¹We note, and you acknowledge, the city did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov't Code § 552.301(b). Nonetheless, because section 552.130 can provide a compelling reason to overcome the presumption of openness, we will consider its applicability to the submitted information. *See id.* §§ 552.007, .302, .352.

(a) A member of the public is required to provide the following information when submitting a written request to a law enforcement agency for information recorded by a body worn camera:

- (1) the date and approximate time of the recording;
- (2) the specific location where the recording occurred; and
- (3) the name of one or more persons known to be a subject of the recording.

Occ. Code § 1701.661(a). In this instance, the requestor does not provide the requisite information under section 1701.661(a). As the body worn camera recordings at issue were not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released. However, pursuant to section 1701.661(b), a “failure to provide all the information required by [s]ubsection (a) to be part of a request for recorded information does not preclude the requestor from making a future request for the same recorded information.” *Id.* § 1701.661(b).

Section 552.130 of the Government Code provides information relating to a motor vehicle operator’s license, driver’s license, motor vehicle title or registration, or personal identification document issued by an agency of this state or another state or country is excepted from public release. Gov’t Code § 552.130(a). You assert the remaining video recordings contain motor vehicle record information that is excepted from disclosure under section 552.130. Upon review, we find the remaining video recordings contain confidential motor vehicle record information. In this instance, you state the city does not possess the technological capability to redact information from video files. Accordingly, the city must withhold the remaining video recordings in their entireties under section 552.130 of the Government Code. *See* Open Records Decision No. 364 (1983).

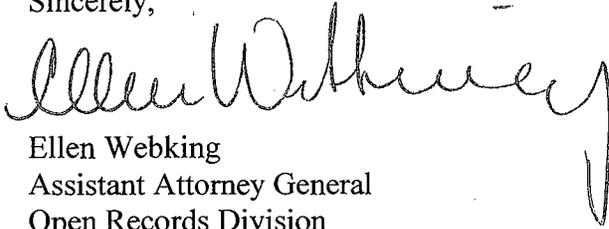

In summary, as the body worn camera recordings at issue were not properly requested pursuant to chapter 1701, our ruling does not reach this information and it need not be released. The city must withhold the remaining video recordings in their entireties under section 552.130 of the Government Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>
