ATTORNEY GENERAL OF TEXAS

October 31, 2016

Ms. Elizabeth Dorsey
Assistant District Attorney
Waller County Criminal District Attorney's Office
645 12th Street
Hempstead, Texas 77445

OR2016-24181

Dear Ms. Dorsey:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 632456.

The Waller County Sheriff's Office (the "sheriff's office") received a request for 1) the sheriff's office's policy manual, 2) any agreements between an association of sheriff's office deputies and Waller County, 3) documents showing any training requirements for sheriff's office deputies beyond training required by the Texas Commission on Law Enforcement, 4) documents showing the racial and ethnic demographics of sheriff's office deputies, and 5) documents showing the process for filing a complaint about deputy misconduct. You state the sheriff's office has released some information. You state you have no information responsive to a portion of the request.¹ You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information. We have also received and considered comments from the requestor. *See* Gov't Code § 552.304 (interested party may submit comments stating why information should or should not be released).

¹The Act does not require a governmental body that receives a request for information to create information that did not exist when the request was received. *See Econ. Opportunities Dev. Corp. v. Bustamante*, 562 S.W.2d 266 (Tex. Civ. App.—San Antonio 1978, writ dismissed); Open Records Decision Nos. 605 at 2 (1992), 563 at 8 (1990), 555 at 1-2 (1990), 452 at 3 (1986), 362 at 2 (1983).

Initially, we must address the sheriff's office's obligations under section 552.301 of the Government Code, which prescribes the procedures a governmental body must follow in asking this office to decide whether requested information is excepted from public disclosure. *See id.* § 552.301. Pursuant to section 552.301(b), a governmental body must ask for a decision from this office and state the exceptions that apply within ten business days of receiving the written request. *See id.* § 552.301(b). You state the sheriff's office received the request for information on August 9, 2016. Accordingly, the sheriff's office was required to provide the information required by section 552.301(b) by August 23, 2016. However, the envelope in which the sheriff's office provided the information required by section 552.301(b) was postmarked August 24, 2016. *See id.* § 552.308(a)(1) (describing rules for calculating submission dates of documents sent via first class United States mail, common or contract carrier, or interagency mail). Consequently, we conclude the sheriff's office failed to comply with the procedural requirements mandated by section 552.301 of the Government Code.

Pursuant to section 552.302 of the Government Code, a governmental body's failure to comply with the procedural requirements of section 552.301 results in the legal presumption that the requested information is public and must be released unless there is a compelling reason to withhold the information from disclosure. *See id.* § 552.302; *Simmons v. Kuzmich*, 166 S.W.3d 342 (Tex. App.—Fort Worth 2005, no pet.); *Hancock v. State Bd. of Ins.*, 797 S.W.2d 379, 381-82 (Tex. App.—Austin 1990, no writ); *see also* Open Records Decision No. 630 (1994). Generally, a governmental body may demonstrate a compelling reason to withhold information by showing that the information is made confidential by another source of law or affects third-party interests. *See* ORD 630. The sheriff's office claims section 552.108 of the Government Code for the submitted information. However, this exception is discretionary in nature. It serves to protect a governmental body's interests and may be waived; as such, it does not constitute a compelling reason to withhold information. *See* Gov't Code § 552.007; Open Records Decision No. 177 (1977) (governmental body may waive statutory predecessor to section 552.108); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Accordingly, no portion of the submitted information may be withheld under section 552.108 of the Government Code. As you raise no further exceptions to disclosure, the submitted information must be released.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
