ATTORNEY GENERAL OF TEXAS

November 1, 2016

Ms. Marium Uddin
Assistant District Attorney
Dallas County Criminal District Attorney's Office
411 Elm Street, 5th Floor
Dallas, Texas 75202

OR2016-24250

Dear Ms. Uddin:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 632604.

The Dallas County Medical Examiner's Office (the "medical examiner's office") received a request for the cause and manner of death, toxicology reports, and investigative narrative reports related to a named individual. You claim the submitted information is excepted from disclosure under section 552.103 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note the submitted information is subject to section 552.022 of the Government Code. Section 552.022(a) provides, in relevant part:

(a) [T]he following categories of information are public information and not excepted from required disclosure unless made confidential under this chapter or other law:

(1) a completed report, audit, evaluation, or investigation made of, for, or by a governmental body, except as provided by Section 552.108[.]

Gov't Code § 552.022(a)(1). The submitted information consists of completed reports that are subject to section 552.022(a)(1). The medical examiner's office must release the completed incident and investigation reports pursuant to section 552.022(a)(1) unless they are excepted from disclosure under section 552.108 of the Government Code or are made confidential under the Act or other law. *See id.* You seek to withhold the submitted information under section 552.103 of the Government Code. However, section 552.103 is discretionary in nature and does not make information confidential under the Act. *See Dallas Area Rapid Transit v. Dallas Morning News*, 4 S.W.3d 469, 475-76 (Tex. App.—Dallas 1999, no pet.) (governmental body may waive Gov't Code § 552.103); *see also* Open Records Decision Nos. 665 at 2 n.5 (2000) (discretionary exceptions generally), 663 at 5 (1999) (waiver of discretionary exceptions). Therefore, the submitted information may not be withheld under section 552.103 of the Government Code. However, as section 552.1175 of the Government Code makes information confidential under the Act, we will consider the applicability of this exception for the submitted information.¹

Section 552.1175 of the Government Code protects the home address, home telephone number, emergency contact information, date of birth, social security number, and family member information of certain individuals, when that information is held by a governmental body in a non-employment capacity and the individual elects to keep the information confidential. *See* Gov't Code § 552.1175. Section 552.1175 applies, in part, to "peace officers as defined by Article 2.12, Code of Criminal Procedure[.]" *Id.* § 552.1175(a)(1). We note section 552.1175 is also applicable to personal cellular telephone numbers, provided the cellular telephone service is not paid by a governmental body. *See* Open Records Decision No. 506 at 5-6 (1988) (section 552.117 not applicable to cellular telephone numbers paid for by governmental body and intended for official use). Upon review, the medical examiner's office must withhold the information we have marked under section 552.1175 if the individuals whose information is at issue elect to restrict access to this information in accordance with section 552.1175(b) of the Government Code and the cellular telephone services were not paid for by a governmental body. As you raise no further exceptions to disclosure, the medical examiner's office must release the remaining information.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at <http://www.texasattorneygeneral.gov/open/>

¹The Office of the Attorney General will raise a mandatory exception on behalf of a governmental body, but ordinarily will not raise other exceptions. *See* Open Records Decision Nos. 481 (1987), 480 (1987), 470 (1987).
