ATTORNEY GENERAL OF TEXAS

Ms. ML Calcote
Assistant General Counsel
Texas Department of Public Safety
P.O. Box 4087
Austin, Texas 78773-0001

OR2016-24558

Dear Ms. Calcote:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 633150 (PIR# 16-4988).

The Department of Public Safety (the "department") received a request for all records pertaining to a specified incident. You claim the submitted information is excepted from disclosure under section 552.108 of the Government Code. We have considered the exception you claim and reviewed the submitted information.

Initially, we note you have only submitted dash camera videos and photographs related to the specified incident. To the extent any additional responsive information existed when the department received the request for information, we assume the department has released it. If any such information has not been released, the department must do so at this time. *See* Gov't Code §§ 552.301, .302; *see also* Open Records Decision No. 644 (2000) (if governmental body concludes no exceptions apply to requested information, it must release information as soon as possible).

Section 552.108(a) of the Government Code excepts from disclosure "[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime." Gov't Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release

of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). You state the submitted information relates to an ongoing investigation, and release of that information would interfere with the investigation and prosecution of the case. Based upon this representation, we conclude the release of the submitted information would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ'g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref'd n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, the department may withhold the submitted information under section 552.108(a)(1).

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
