Ms. Heather Silver
Assistant City Attorney
Office of the City Attorney
City of Dallas

Dear Ms. Silver:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 632940 (Request No. C000238-081816).

The City of Dallas (the "city") received a request for e-mail addresses of all members of a specified commission. You claim the submitted information is excepted from disclosure under section 552.137 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.137 excepts from disclosure "an e-mail address of a member of the public that is provided for the purpose of communicating electronically with a governmental body," unless the member of the public consents to its release or the e-mail address is of a type specifically excluded by subsection (c). Gov't Code § 552.137(a)-(c). Section 552.137 does not apply to an institutional e-mail address, the general e-mail address of a business, an e-mail address of a person who has a contractual relationship with a governmental body, an e-mail address of a vendor who seeks to contract with a governmental body, an e-mail address maintained by a governmental entity for one of its officials or employees, or an e-mail address

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

provided to a governmental body on a letterhead. *See id.* § 552.137(c). We are unable to determine whether the personal e-mail addresses within the submitted information belong to city officials or employees. Thus, we rule conditionally. To the extent the e-mail addresses within the submitted information are the personal e-mail addresses of city officials or employees, or to the extent subsection (c) applies, this information is not subject to section 552.137 and may not be withheld on that basis. *See Austin Bulldog v. Leffingwell*, 490 S.W.3d 240 (Tex. App.—Austin 2016, no pet.) (holding personal e-mail addresses of government officials used to conduct official government business are not e-mail addresses of “members of the public” for purposes of Gov’t Code § 552.137(a)). However, to the extent the e-mail addresses within the submitted information are not the personal e-mail addresses of city officials or employees and subsection (c) does not apply, this information is subject to section 552.137 and must be withheld under section 552.137, unless the owners of the e-mail addresses affirmatively consent to their release.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
