

KEN PAXTON
ATTORNEY GENERAL OF TEXAS

November 7, 2016

Ms. Julie Allen
Assistant General Counsel
Texas Alcoholic Beverage Commission
P.O. Box 13127
Austin, Texas 78711

OR2016-24788

Dear Ms. Allen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 633528 (TABC Ref. ID No. 1789705598).

The Texas Alcoholic Beverage Commission (the "commission") received a request for a specified investigation report.¹ You claim the submitted information is excepted from

¹You state, and provide documentation showing, the commission received clarification of the information requested. *See* Gov't Code § 552.222 (providing if request for information is unclear, governmental body may ask requestor to clarify request); *see also City of Dallas v. Abbott*, 304 S.W.3d 380, 387 (Tex. 2010) (holding that when a governmental entity, acting in good faith, requests clarification or narrowing of an unclear or overbroad request for information, the ten-day period to request an attorney general ruling is measured from the date the request is clarified or narrowed).

disclosure under section 552.108 of the Government Code.² We have considered the exception you claim and reviewed the submitted representative sample of information.³

Section 552.108(a) of the Government Code excepts from disclosure “[i]nformation held by a law enforcement agency or prosecutor that deals with the detection, investigation, or prosecution of crime . . . if: (1) release of the information would interfere with the detection, investigation, or prosecution of crime[.]” Gov’t Code § 552.108(a)(1). Generally, a governmental body claiming section 552.108(a)(1) must explain how and why the release of the requested information would interfere with law enforcement. *See id.* §§ 552.108(a)(1), .301(e)(1)(A); *see also Ex parte Pruitt*, 551 S.W.2d 706 (Tex. 1977). Section 552.108 may be invoked by the proper custodian of information relating to a pending investigation or prosecution of criminal conduct. *See Open Records Decision No. 474 at 4-5 (1987)*. Where a governmental body has custody of information relating to a pending case of a law enforcement agency, the custodian of the records may withhold the information if it provides this office with a demonstration that the information relates to the pending case and a representation from the law enforcement agency that it wishes to have the information withheld. You state, and provide a statement demonstrating, the El Paso County District Attorney’s Office (the “district attorney’s office”) has advised the commission the submitted information is related to a pending criminal prosecution. The district attorney’s office states it objects to disclosure of the information at issue because its release would interfere with the prosecution. Based on these representations and our review, we conclude the release of the information at issue would interfere with the detection, investigation, or prosecution of crime. *See Houston Chronicle Publ’g Co. v. City of Houston*, 531 S.W.2d 177 (Tex. Civ. App.—Houston [14th Dist.] 1975) (court delineates law enforcement interests that are present in active cases), *writ ref’d n.r.e. per curiam*, 536 S.W.2d 559 (Tex. 1976). Thus, we conclude section 552.108(a)(1) is applicable to the submitted information.

However, we note section 552.108 does not except from disclosure basic information about an arrested person, an arrest, or a crime. Gov’t Code § 552.108(c). Basic information refers to the information held to be public in *Houston Chronicle*. *See* 531 S.W.2d at 186-88; *Open Records Decision No. 127 (1976)* (summarizing types of information considered to be basic information). Thus, with the exception of the basic information, the commission may

²We note, and you acknowledge, the commission did not comply with section 552.301 of the Government Code in requesting a ruling from this office. *See* Gov’t Code § 552.301(b), (e). Nonetheless, because third-party interests can provide a compelling reason to overcome the presumption of openness, we will consider the submitted argument against release of the submitted information. *See id.* §§ 552.007, .302, .352; *see also Open Records Decision No. 586 at 3 (1991)* (claim of another governmental body under statutory predecessor to section 552.108 can provide compelling reason for non-disclosure).

³We assume the “representative sample” of records submitted to this office is truly representative of the requested records as a whole. *See Open Records Decision Nos. 499 (1988), 497 (1988)*. This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

withhold the submitted information under section 552.108(a)(1) of the Government Code on behalf of the district attorney's office.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor. For more information concerning those rights and responsibilities, please visit our website at http://www.texasattorneygeneral.gov/open/orl_ruling_info.shtml, or call the Office of the Attorney General's Open Government Hotline, toll free, at (877) 673-6839.
