Ms. Julie Allen
Office of the General Counsel
Texas Alcoholic Beverage Commission
P.O. Box 13127

OR2016-24921

Dear Ms. Allen:

You ask whether certain information is subject to required public disclosure under the Public Information Act (the "Act"), chapter 552 of the Government Code. Your request was assigned ID# 634506 (TABC Internal Ref. No. 2020109873).

The Texas Alcoholic Beverage Commission (the "commission") received a request for all documents related to a specified commission licensee. You state the commission will release some information to the requestor. You claim the submitted information is excepted from disclosure under section 552.101 of the Government Code. We have considered the exception you claim and reviewed the submitted representative sample of information.¹

Section 552.101 of the Government Code excepts from disclosure "information considered to be confidential by law, either constitutional, statutory, or by judicial decision." Gov't Code § 552.101. This section encompasses information made confidential by other statutes. Section 5.48 of the Alcoholic Beverage Code provides as follows:

¹We assume the "representative sample" of records submitted to this office is truly representative of the requested records as a whole. *See* Open Records Decision Nos. 499 (1988), 497 (1988). This open records letter does not reach, and therefore does not authorize the withholding of, any other requested records to the extent those records contain substantially different types of information than that submitted to this office.

(a) "Private records," as used in this section, means all records of a permittee, licensee, or other person other than the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license, or in a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee.

(b) The private records of a permittee, licensee, or other person that are required or obtained by the commission or its agents, in connection with an investigation or otherwise, are privileged unless introduced in evidence in a hearing before the commission or before a court in this state or the United States.

Alco. Bev. Code § 5.48. The term "privileged" in this statute has been construed to mean "confidential" for purposes of the Act. Attorney General Opinion JM-1235 at 2 (1990); Open Records Decision Nos. 186 (1978), 62 (1974). Thus, section 5.48 makes confidential any records required or obtained by the commission, with the exception of "the name, proposed location, and type of permit or license sought in an application for an original or renewal permit or license" and "a periodic report relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee." Alco. Bev. Code § 5.48.

You state the submitted information consists of application records for commission licenses or permits or private records submitted in periodic reports relating to the importation, distribution, or sale of alcoholic beverages required by the commission to be regularly filed by a permittee or licensee. You state the commission has no indication any of the submitted information has been introduced as evidence in a hearing before the commission or before a court in Texas or the United States. Based on your representations and our review, we agree the submitted information constitutes private records under section 5.48 of the Alcoholic Beverage Code. Accordingly, with the exception of the name, proposed location, and type of permit sought in the relevant applications, the commission must withhold the submitted information under section 552.101 of the Government Code in conjunction with section 5.48 of the Alcoholic Beverage Code.

This letter ruling is limited to the particular information at issue in this request and limited to the facts as presented to us; therefore, this ruling must not be relied upon as a previous determination regarding any other information or any other circumstances.

This ruling triggers important deadlines regarding the rights and responsibilities of the governmental body and of the requestor.
