Attention: Opinions Committee

Dear Mr. Morales:

The question has arisen in regard to the ability of Directors of the Guadalupe-Blanco River Authority, a political subdivision of the State, to hold other offices. Specifically, we are interested to know whether or not the Directors of the Guadalupe-Blanco River Authority are prohibited from simultaneously holding a position as a Director of a County appraisal district which is an unpaid position.

Your opinion on this issue is of immediate importance to the Guadalupe-Blanco River Authority under current circumstances where Directors of the Authority are requested from time to time to serve on various boards and councils concurrently with their service to the Authority.
