Dear Dan:

I am enclosing a copy of a letter from one of my constituents, Earl Angelle of Bridge City. As you can see, he is concerned about nepotism within the Bridge City I.S.D.

After reviewing this letter, please respond so that I forward a reply to Mr. Angelle.

Thank you for your assistance.

Sincerely,

Ron Lewis

Dear Row;

I am concerned about the nepotism and conflict of interest situation of the B.C.I.S.D. It is totally inconsistent with the pursuit of what's good for the children of our district.

Citation of the board hiring a new superintendent who brings a man as his assistant who was in the district before and caused problems then. His wife was given a job in the administration also. This is one case.

Also they (teachers) complain about their low salaries but no one can live in houses and drive around in nice cars with salaries they gripe about.

Please let me know if the state constitution has anything in it against such situation.

Very truly yours

Earl J. Angelle
