RQ-526

Dear Ms. Johnson,

I would like to request that your committee issue an opinion as to whether the City of Austin has the authority to enact an ordinance prohibiting random drug testing by private employers within the city. This question is pertinent to legislation that could come before the House Committee on Urban Affairs, which I chair.

Please contact my office if you need further clarification of the question at hand.

Thank you for your help.

Sincerely,

FH/mm
