The Honorable Dan Morales
Texas Attorney General

Austin, TX 78711-2548

RG-588

Dear Dan,

The cities of Lucas and Bartonville have contacted me and have requested that I ask you for an Attorney General's opinion on whether or not Chapter 366 of the Texas Health & Safety Code preempts Chapters 342.002 and 214.012. The cities are trying to ascertain whether or not a violation of the code has actually occurred.

I would appreciate it if you would assist in this matter by supplying Lucas and Bartonville with an opinion so that they can plan their next course of action. Thank you for your help. Please let me know if you have any questions.

Sincerely,

Fred Hill
