Re: Request for Police reports currently involved in litigation.

To Whom It May Concern:

On May 19, 1994, the City of Georgetown received a request for information under the Texas Open Records Act from Issac Barrera, Plaintiff in a suit between himself and the City of Georgetown, for the following information:

Arrest report, warrant, complaint and affidavit of an arrest for Burglary of a Building that took place on September 24, 1992.

The City of Georgetown received service on this case on April 14, 1993. This case has been answered and a request to dismiss has been filed. At this time, the presiding Judge has issued an order that the Plaintiff refile his petition in proper form by June 2, 1994. Due to the fact that the City is involved in litigation in this matter, I have refused to release the information requested based on ORD 551. In addition the City has claimed exemptions based on §552.101, §552.103, §552.107, and §552.108 Gov. Code.

I have inclosed a copy of each of the documents that have been requested and which we believe to excepted from disclosure due to the fact that we are currently in litigation on this matter. Please contact me at (512) 930-3653 if you need further information.

Sincerely yours,

*Sheree L Rabe*
