The Honorable Dan Morales
Texas Attorney General
Price Daniel, Sr. Building
P.O. Box 12548 Capitol Station
Austin, Texas 78711-2548

Dear Attorney General Morales:

An opinion is requested concerning the interpretation of Local Government Code 381.001(f). Rains County has a county industrial commission.

The commissioners requested and received county tax funds to donate to a non-profit organization whose purpose it is to assist industrial development.

A copy of pertinent material is included.

Is this type of expenditure authorized by the code? I find no case law concerning this matter.

Sincerely yours,

L M Braziel
County Attorney
