Dear Mr. Morales:

I am formally requesting an opinion on two important issues facing San Antonio's Fire and Police Civil Service Commission. My questions are:

1. Does a Chapter 143 Civil Service City have the authority to review, adopt, or reject rules adopted by the Fire and Police Civil Service Commission?
2. Does the Fire and Police Civil Service Commission have the authority to give the power to the City Council by adopting a rule which would convey reviewability to the City Council?

I would appreciate your official opinion on the above-mentioned questions.

Sincerely,

Frank Madla
