Re: Opinion Request

Dear General Abbott:

I am requesting an official opinion on the University Interscholastic League. I am requesting this from you in your capacity as the chief legal officer of the State of Texas.

I would like your official opinion as to the legality of the University Interscholastic League. Is the University Interscholastic League a legally constituted state agency? Is the University Interscholastic League a legally constituted entity? Does the University Interscholastic League have legal authority to institute rules?

Thank you in advance for your assistance.

Sincerely,

A handwritten signature in cursive script, appearing to read "Joe Nixon".

Joe Nixon, Chairman
House Committee on Civil Practices
